ACKNOWLEDGMENT

This thesis is a collaborative work between the author and some people who have invested their time and knowledge for the completion of this work. These people deserve acknowledgement.

Utmost gratitude is extended to the researcher's mother and sister, together with her family, for their unending support morally and spiritually.

This work is also completed with the unparalleled guidance of his adviser, Dr. Regidor G. Gaboy. His persistent direction has brought this into a masterpiece. Also, the researcher extends his gratitude to the two members of the panel, Dr. Emily T. Astrero, and Dr. Leila M. Collantes. Their comments and suggestions have turned this work into a more polished manuscript.

Lastly, to the students of Rajamangala University of Technology Lanna (RMUTL) Phitsanulok for allowing themselves to be a part of this work.

Reuben H. Esteban

I dedicate this piece of work to my family.
